

# HEARING HOUSE FUNCTION ROOM

## Information and Rates

Conveniently located in Central Nelson this affordable, versatile, multi-functional space for hire comes equipped with heat pump/air conditioning, white boards, sound system and speakers - making it suitable for many different kinds of casual celebrations, parties, community and business events.

The room has carpeted wood flooring, gets ample natural light and can comfortably accommodate up to 40 people.

The space also features a serving hatch from the well-equipped kitchen including Zip hot water, oven, microwave, crockery and cutlery. The building has two modern toilets and is wheelchair accessible throughout. There are chairs and tables available to host up to 40 people should your event require them.

NB: Due to the hearing service providers who operate on site during the week, there are noise restrictions during working hours.

The **Hearing House Function Room** (with kitchen facilities) is available by the hour, half day, whole day or evening, seven days a week.

Maximum group size is 40.
